Return Monday 6<sup>th</sup> September for new academic year

### Class of 2021

It is nearly time to say goodbye to our 2021 leavers! Unfortunately due to Covid restrictions we have made the sad decision to not invite all of our families in for a leaving party this year. However not all is lost, we will ensure that we have lots of fun with all of the children to celebrate how amazing they all are! We are going to have lots of treats/surprises and even some mini graduations in Pre School. We know that this may be disappointing to families but we will ensure we keep you all part of the celebrations with us.

I would also like to take this opportunity to say how proud of everyone we are for their resilience and hard work in ensuring the running of Pre School continues with minimal disruption. It has been a tough academic year for us all but we want to thank you all for supporting us along this road. We are thankful to each and every one of our families at SVPS.

### Transition to School

We have now completed all of our transition forms for our School leavers. There is a small section for parents so these will be coming home in the coming days for you to check and complete. Please ensure these are returned to Pre School as we will be passing them on to forwarding Schools.

### Would you like to contribute?

Instead of the party this year we will be enjoying some 'tea parties' with the children the last week of term. We usually ask families to help us and bring a small contribution of food for the event. If you would like to help then please speak to Hannah or Sarah on the door and we would be happy to share some ideas of what we need.

Thank you!

**Happy Summer Everyone! Let's make this last term count!**
