This application places your child on our waiting list. We will contact you as soon as a suitable place becomes available. We will use the information supplied on this form to create a profile for you on the Family app we use. If you do not agree with this, please let us know. **Please note that completion of this form does not guarantee a place for your child,**

Once your child is offered a place and you accept it, on admission further personal information and family details are required for our records. Your child's birth certificate is required at this point with a copy made for our file.

If you find that you no longer need the place, please inform us as soon as possible
